XXIV IAP-ID Annual CME 2022

“Diagnostic Update & Molecular Advances in Endocrine Organ Lesions”

Date: 16th - 17th September 2022 | Venue: Convention Centre, SGPGIMS

Welcome

Dear Colleagues,

It is our pleasure to invite you for the annual CME of the International Academy of Pathologists-Indian Division (IAP-ID) being organized by the Department of Pathology, Sanjay Gandhi Postgraduate Institute of Medical Sciences, Lucknow, India on 16th -17th September 2022. The IAP-ID XXIV Annual CME 2022 on “Diagnostic Update & Molecular Advances in Endocrine Organ Lesions” shall be conducted in hybrid mode.

Many morphologic and molecular updates in endocrine organs including thyroid, parathyroid and adrenal lesions have occurred in recent years requiring precise diagnosis with direct therapeutic and prognostic implications. We assure a comprehensive learning experience with didactic lectures, slide seminars, live microscopy, case-based studies and interactive discussions and quizzes. The sessions will include updated diagnostic modalities, classifications, molecular advances in endocrine organ lesions by renowned national and international faculty in this field.

SGPGIMS, Lucknow is a tertiary care medical centre of north India spread across 550 acres lush green campus with huge infrastructure facility and is in forefront in the field of endocrinology and endocrine surgery with dedicated speciality departments. We look forward to your active participation in this prestigious CME of the IAPID to interact and learn with experts in the field.
