Dear Colleague,

It is our pleasure to invite you for the annual CME of the **International Academy of Pathologists-Indian Division (IAP-ID)** being organized by the **Department of Pathology, Dr. Ram Manohar Lohia Institute of Medical Sciences, Lucknow, Uttar Pradesh India** on **18<sup>th</sup>-19<sup>th</sup> September 2021**. The **IAP-ID XXIII Annual CME 2021 - "Nuances and Pitfalls in Interpretation of Neoplastic GI Biopsies and Beyond"** shall be conducted on the virtual platform.

Endoscopic gastro-intestinal biopsies pose a diagnostic challenge for both young and experienced pathologists. We are fortunate to have an excellent faculty of experienced and reputed International and National experts at the CME to discuss the nuances and pitfalls of neoplasia in the GI tract. The course content is not limited to neoplastic biopsy pathology and will also include discussion of infectious disorders of the GI tract and approach to diagnosis of neoplasia in GI and liver resections.

We promise a comprehensive learning experience with didactic lectures, slide seminars, live microscopy, case-based studies and interactive discussions. We invite our young pathologists to throw challenges through our novel **"Rapid fire Round"** which has also been conceptualized to ensure some excitement with 5 min interesting cases poll questions and audience awards.

We look forward to your active participation in this prestigious CME of the IAPID to learn beyond the books.

**Dr Nuzhat Husain MD**  
**Organising Chairperson**

**Dr Saumya Shukla**  
**Organising Secretary**
