Message from the President

Dear Friends,

Warm greetings to all and my sincere thanks to every member of the IAP-ID for electing me as the President of IAP-ID. I am touched by the trust and honor you have bestowed upon me, and will strive hard to serve the IAP-ID as best I can.

Pathology has made tremendous advances in the last few decades, and today pathologists are consultant partners with clinicians when it comes to making accurate diagnosis and participating in decision making. In this scenario, where there is an explosion of medical knowledge at a frenzied pace, it is imperative that pathologists keep abreast of the latest information and developments in their own and allied fields. The IAP-ID has been at the forefront for dissemination of education in this country, via its high quality educational programs.

After an excellent academic meeting at the IAP-ID Annual Conference 2014 at AFMC, Pune, we enter yet another year of motivating academic programs scheduled for 2015. To begin with, we will soon have the 'Mid Year Teaching Program' of the IAP-ID in Bangalore. I look forward to being there, and meeting our members, specially our younger colleagues, who are the future of our profession. I urge our pathologists to make the effort to attend this important educational program. It takes months of preparation to organize a really worthwhile meeting, and in turn, nothing is more rewarding than seeing an auditorium packed with enthusiastic and interested colleagues.

Before I end, I would like to thank the immediate Past President of IAP-ID, Prof. Kusum Joshi and her team for their contributions towards the cause of IAP-ID. It would be very remiss on my part if I did not thank Prof. Francisco Couto, Advisor of the IAP-ID, for his continued and unstinted support, and his superb contributions towards building a strong and vibrant organization.

I look forwards to the co-operation of all the members during my tenure as President, and together we must move ahead, and take the IAP-ID to even greater heights.

With best wishes to all,

Dr. (Mrs.) Roshan Chinoy
President IAP-ID

Dear Friends,

Let me begin by conveying warm greetings and best wishes to all the members. All those who attended APCON 2014 at AFMC Pune in December last year, will agree with me saying that it was a successful and well organized annual conference. My heartfelt

thanks to Brig. V Srinivas and his team members for all the hard work they have put in to make this event a grand success.

We begin this year's academic activities with Mid Year Teaching Programme to be held in June at Bangalore. It will be one day CME followed by workshop. The meeting is titled "Towards Personalised Medicine, Role of Her2/neu, EGFR and KRAS Mutation Testing". It is being organized by Anand Diagnostic Laboratory, Bangalore under the able leadership of Dr. N. Jayaram. I request the interested members to register early and make use of the opportunity to update their knowledge and enhance their skills.

In order to facilitate better communication with members regarding IAP-ID activities, I sincerely request all the members to forward their Email ID and Mobile Numbers. These can be sent by Email or regular mail to the address of Secretary & Treasurer, IAP-ID.

Before I conclude, I sincerely request all the members who have not yet paid their membership fees for this year, or are in arrears, to kindly pay their dues immediately.

I look forward to all the members for their support, valuable inputs and suggestions.

With warm regards,

Dr. Shantveer G Uppin

Inauguration of the IAP-ID Annual Conference

The Annual Conference of the International Academy of Pathology – Indian Division was held on 4th December 2014 at the Armed Forces Medical College, Pune, with Brig. V Srinivas as the Organizing Secretary. Delegates from all parts of India were in attendance.

The Conference began with the formal Inauguration function. The Chief Guest Maj Gen L. S. Vohra MG (Med), HQ (SC) inaugurated the Conference by lighting the traditional lamp in the presence of the other dignitaries, Dr. Kusum Joshi (President, IAP-ID), Dr. Shantveer G Uppin (Secretary & Treasurer, IAP – ID), Brig. V Srinivas (Organizing Secretary, APCON 2014), Dr. Col V S Nijhawan and other dignitaries in attendance. The “Proceedings Booklet” was also released during the function.

The Scientific Programme followed immediately thereafter. The Guest lecture was delivered by Prof. Joseph T Rabban III, Professor of Clinical Pathology, University of California, San Francisco, School of Medicine, California, United States of America (USA). Prof. Joseph Rabban delivered an exceptional lecture on “Fallopian Tube Pathology and Origin of Pelvic Cancer: Review of New Paradigm”. Later, Prof. Joseph Rabban also conducted a slide seminar on “Gynecologic Tumors Associated with Hereditary Syndromes”. Both the presentations of Prof. Joseph Rabban were highly appreciated by all the delegates present. On behalf IAP-ID, President Dr. Kusum Joshi presented a specially designed plaque and certificate of appreciation to Prof. Joseph Rabban. The IAP-ID expresses its gratitude and thanks to Prof. Joseph Rabban for having come to the Annual Conference and for delivering the Guest lecture and Slide Seminar.

The Guest Lecture was followed by an excellent Slide Seminar on “Recent Advances in Soft Tissue Tumors Including Relatively Newer Diagnostic Entities, Novel Markers and Concepts” which was ably moderated by Dr. Bharat Rekhi (Mumbai). The cases very well discussed

and presented by Dr. Bharat Rekhi and his panelists Dr. Nirmala Jambhekar (Mumbai), Dr. Asitava Mondal (Kolkata), Dr. Roshan F Chinoy (Mumbai), Dr. V P Sumati (Birmingham), Dr. Shantveer G Uppin (Hyderabad) and Dr. Jay Mehta (Mumbai), Dr. Krishna Balachandran (Trivandrum), Dr. Smitha (Kochi) and Dr. Rincy Thomas (Thiruvalla). Dr. Bharat Rekhi has donated the CD to the IAP-ID for sale; proceeds of which would go to the corpus fund of the IAP-ID.

The post lunch session had the Symposium on “IgG4 Related Disease” moderated very well by Dr. K. P. Aravindan (Allepey). The topic was extensively discussed by Dr. K. P. Aravindan and the other panelists Dr. Siddhartha Dutta Gupta (New Delhi), Dr. Chandralekha Thampi (Mumbai), Dr. Ritambara Nada (Chandigarh), Dr. Amit Kumar Dinda (New Delhi), Dr. I Praseeda (Trivandrum) and Dr. Amanjit Bal (Chandigarh).

The Scientific Programme of the Annual Meeting was brought out in the form of a Proceedings Booklet, edited by Dr. Francisco Couto, Advisor and Past President of the IAP-ID, and was distributed to the delegates by the Organizers.

The Scientific Programme was followed by the General Body Meeting of the IAP-ID. President of the IAP-ID Dr. Kusum Joshi chaired the Meeting and called the Meeting to order. The Secretary & Treasurer Dr. Shantveer G. Uppin read out the Minutes of the last General Body Meeting held on 12th December 2013 at 4.30 p.m. at Government Medical College, Aurangabad; the Annual Report of the Secretary & Treasurer for 2013 – 2014, and, Audited Accounts for the Year 2013 – 2014, and these were duly approved by the members. It was suggested that efforts to be made to consolidate the entire funds of IAP-ID into one account rather than having one account at Goa and the other at the place of stay of the Secretary & Treasurer, IAP-ID. In this regard, Dr. Francisco Couto (Advisor and Past President, IAP-ID) clarified that the PAN Card was obtained with great difficulty due to several problems regarding registration of IAP-ID and the Goa account was being maintained on the recommendation of the Chartered Accountant to avoid problems with the Income Tax department. However, Dr. Francisco Couto would again discuss with auditors in Goa as to whether there is a continued need for having an account at Goa, in view of IAP-ID being registered and having PAN card from Goa.

President Dr. Kusum Joshi and Councilor Dr. D N Lanjewar having completed their 2 year terms, elections were held for these posts. Dr. Roshan F. Chinoy (Mumbai) was elected as new President and Brig. V Srinivas (AFMC, Pune) was elected as new Councilor. President Dr. Kusum Joshi and other members present congratulated Dr. Roshan F. Chinoy and Brig. V Srinivas on their election to the posts of President and Councilor respectively.

It was decided that the IAP-ID Annual Meeting 2015 would be held, as usual, at venue of the IAPM Conference and would be at Kochi, to be organized by Dr. I. Praseeda and group. Besides the Guest Lecture and a Slide Seminar by the invited foreign speaker it was decided that the Slide Seminar would be on "Pseudo and Non-neoplastic Bone Lesions" to be Moderated by Dr. Nirmala Jambhekar (TMH, Mumbai) and the Symposium on "New Concepts in Renal Pathology" to be Moderated by Dr. Ritambara Nada (PGIMER, Chandigarh). The Mid-Year Teaching Programme 2015 was allotted to Dr. N. Jayaram, Anand Diagnostic Laboratory on "Her2/neu Applications – the Journey Continues" with a suggestion to include EGFR and others (Accordingly, Dr. N Jayaram included the EGFR and KRAS mutation testing and sent the New title as "Towards Personalized Medicine; Role of Her2/neu, EGFR and KRAS Mutation Testing). The IAP-ID 18th Annual CME 2015 was allotted to Dr. (Mrs) Pravina Santwani, Professor and Head, M. P. Shah Medical College, Jamnagar on "Update

in Female Genital Tract Lesions: Morphology to Molecular Diagnosis".

As regards the electoral process of IAP-ID, the Secretary & Treasurer Dr. Shantveer Uppin informed that the committee constituted by General Body in previous year's GBM, which included President Dr. Kusum Joshi, Secretary & Treasurer Dr. Shantveer Uppin, Past Presidents Dr. C. Sundaram, Dr. Francisco Couto, Dr. K. Uma Chaturvedi and Dr. Anita Borges had submitted their report after due consultations with the International Academy of Pathology (IAP) and had recommended that the IAP-ID being a Division of the IAP and following its constitution has to follow its various rules and regulations and in keeping with IAP norms the electoral process for various posts will be by nomination and selection. The Committee report also indicated criteria and suitability for nomination. Further, constitution of a nominations committee may be considered similar to that in the IAP. The Committee's report and recommendations were accepted and approved by the General Body.

As regards the proposal to bid for International Congress of International Academy of Pathology (IAP) in India at future date, the General Body decided that the feasibility should be examined by a Committee consisting of Dr. Anita Borges (Chairperson), Dr. Francisco Couto, Dr. D N Lanjewar, Dr S. Dutta Gupta, Dr. Sujay Prasad and Secretary & Treasurer Dr. Shantveer Uppin. The Committee would submit its opinion and recommendation in the next GBM to be held at Kochi in December, 2015.

Dr. Kusum Joshi (President IAP-ID) and Dr. Shantveer Uppin (Secretary & Treasurer IAP-ID) on behalf of the IAP-ID, thanked Prof. Joseph Rabban, Dr. Bharat Rekhi and his team and Dr. K P Aravindan and his panelists for their contribution to the success of the scientific programme. On behalf of the IAP-ID, Dr. Shantveer Uppin expressed thanks to Brig Srinivas and his team for hosting the Meeting. The Meeting was then concluded and declared closed by the President Dr. Kusum Joshi.
